

⊕ CAMP LOUGHRIDGE ⊕ CAMP COUNSELORS NEEDED!

2018 DAY CAMP SESSIONS FROM JUNE 4 - AUGUST 3

If you like the outdoors, kids, and want to serve your Christian calling, **Camp Loughridge** might be for you. We are looking for high school (age 16 and older) and college students to be counselors this summer!

At Camp Loughridge (CL), we provide a natural environment for Christian growth. We are a **Christ-centered** summer day camp for kids where true-life transformation takes place. Camp Loughridge spans 188 acres of urban wilderness just west of Tulsa Hills, behind the Oaks Country Club. With two pools, a ropes course, three lakes, trails, sports areas, and other amenities, we keep campers engaged and entertained. If you love working with kids (age 6-15) in a team environment alongside other fun-loving counselors, then CL is for you.

Day camp means you can **make a positive impact** in young kids' lives, fill your own bucket with fulfilling experiences, **earn some money**, and **stay connected** with your friends in Tulsa by having your nights and weekends off.

OPEN TO ALL HIGH SCHOOL (16+) AND COLLEGE STUDENTS

WORK AT CAMP. LIVE AT HOME. SHARE YOUR LOVE OF JESUS!

Are you interested in social/spiritual vocations as a career? We're seeking counselors who love working with kids and have had positive experiences in athletics, outdoor activities, or other camps. Your mission is to help kids form the right **qualities of character**: courage, self-discipline, responsibility, respect, perseverance, cultural sensitivity, and friendship!

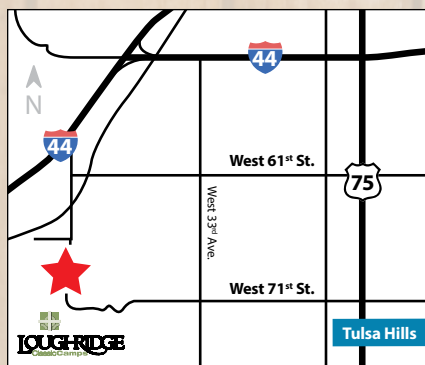

Your days will be filled with activities outside, and you will be working with other high school and college-age peers. Each day will consist of a variety of activities so **you won't ever be bored**. This is more than a job, it is an opportunity to impact the lives of younger campers and yourself.

We need most of our staff to work for all 7 week-long summer camp sessions; however, you may have the chance to take certain weeks off. Required **summer staff training is June 4-8**, and everyone gets to **take off July 2-6**.

You are **not required to work weekends, late evenings, or early mornings**. Typical hours last from 7-8 a.m. until 5-6 p.m. The days are full, but every minute is rewarding! You will also be fed great food and snacks.

This summer, we invite you to grow spiritually and create lasting relationships! You'll receive financial compensation and a **great resume starter** for your collegiate and professional life.
